The students will be given **one** topic out of the two given above for the final competition.

The students are expected to colour the picture completely (**not the background**). Practice sheets for the competition will be sent with your ward. Please make your ward practices so, they can be confident and know what they are expected to do.

The criteria for assessing the entries are:

- Creativity
- Sense / use of colour (colour combination)
- Strokes
- Neatness (colouring within the lines)

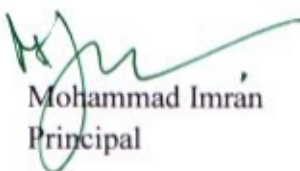

Please emphasize on the above mentioned points, when your ward is practicing for the competition.

The competition will be evaluated on the basis of the criteria mentioned above.

Kindly make sure that your ward uses **only crayons** for the competition.

Looking forward to seeing the amazing and creative side of our students.
