*“To learn to read is to light a fire; every syllable that is spelled out is a spark.”*

Dear Parents,

In order to ignite this passion in our students we would like to conduct a Spelling Bee Competition. Spelling Bee is an oral Competition, where in each student is asked to spell a set of words from a list of words that has already been given before the Winter Break. This competition aims at improving and enhancing the English vocabulary and spellings.

Spelling Bee Competition for the students of UKG will be conducted as per the following schedule:

Day & Date	Round	Number of words
Thursday, <b>13 February 2025</b>	Preliminary ( First Round )	5 words ( from the given spelling bee list )
Thursday, <b>13 February 2025</b>	Semi-Finals ( Second Round )	7 words ( from the given spelling bee list )
Sunday, <b>16 February 2025</b>	Final	5 words

Note: The parents need to train their wards in spelling the words orally.

Best Regards
