“They may forget what you said, but they will never forget how you made them feel”.

—Carl W. Buechner.

Dear Parents,

All round development of students is not only limited to academic endeavors, but also to the enhancement of communication skills. Effective and impressive expression in Public Speaking is inevitable in today's scenario. Unfortunately, most of the students feel nervous and panic at the crucial moments and do not tend to participate and polish their public speaking skills. It is apparently one of the most challenging experiences. The best way to deal with these fears is to start training them at an early stage. With this vision to enhance, pioneer and inculcate the public speaking skills in our students, we are organizing '*Public Speaking Competition*'.

Kindly note that it is an oral competition. The students need to prepare their own speech on the topic given below and present it within the stipulated time. The time allotted for each speaker is 3 minutes with a grace period of 10 seconds.

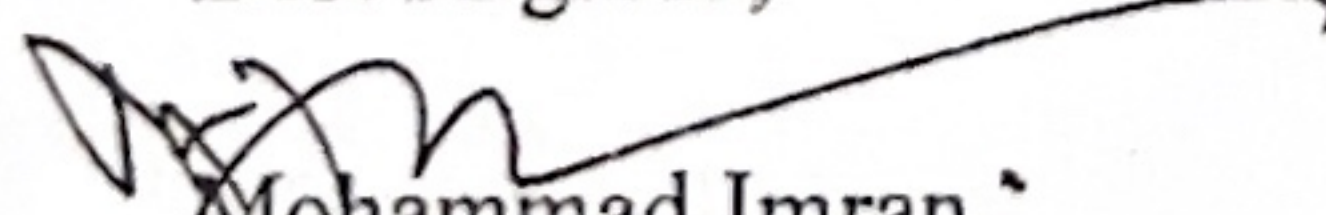

S.No	Grade	Date	Day	Topic
1	IV	05 November 2023	Sunday	Much needed invention
2	V	06 November 2023	Monday	The importance of art in education
3	VI	07 November 2023	Tuesday	Traveling develops personality
4	VII	08 November 2023	Wednesday	The role of media in shaping public opinion

The students will be judged based on the following criteria:

1. Presentation and Confidence
2. Content
3. Use of language (Vocabulary)
4. Voice modulation
5. Body Language and Eye Contact

Looking forward to your support and cooperation.
