### **CBSE Budding Authors Program 2024-2025**

Dear Parents,

The CBSE Reading Mission and the Initiatives 2024–2025 have introduced a series of activities to facilitate and encourage reading habits among students and create a vibrant learning environment. One of the activities under the CBSE Reading Mission is the **CBSE Budding Authors Program**, which aims to ignite the creative spark within students by encouraging them to explore the art of storytelling. By writing and submitting short stories under this program, students have the exciting opportunity to express their imagination and ideas, with a chance to see their work published and handheld, and an opportunity to meet renowned story-writers for children. This enriching experience not only hones their writing abilities but also nurtures their confidence and self-expression.

- The school will handle the registration process for the CBSE Budding Authors Program.
- A unique login ID and password will be generated for each student at the time of registration in the Budding Authors portal.
- Selected entries will be uploaded on the website.
