Art and Craft Exhibition for S.C.C & Grades I - XII

“Creativity takes courage.” – Henri Matisse

Dear Parents,

Art is vitally important, especially for students at a young age, as it gives them a chance to show their creativity and an opportunity to connect their ideas and imagination.

Exhibitions have always been an important and exciting aspect of any teaching learning programme. So with an aim to promote the creativity of young artists and to offer an arena to express their innate talents, the school is organizing an **Art and Craft Exhibition** for the students of S.C.C and **Grades I to XII on Wednesday 30 October 2024**. The topics for the same are mentioned below. Apart from these topics mentioned, the students can also show their own creativity by exhibiting any other crafts which they are good at. Authenticity is a mandatory requirement for the exhibition.

Kindly ensure that your ward prepares the same well on time & brings the exhibits on **Wednesday 30 October 2024**.
