Science Exhibition for Grades IV to XII

"Science is a way of thinking much more than it is a body of knowledge." - Carl Sagan

Dear Parents,

In today's world of Science and Technology, scientific attitude is the most desirable trait among students, as it promotes rationality, logical thinking, systematic planning, experimenting and exploring. So to open up new avenues of curiosities and to provide a platform for discovery and innovation, our school is organizing **Science Exhibition on Thursday 19 September 2024**. The aim of the aforesaid exhibition is to provide an opportunity for the students to showcase their aesthetic ideas, passion and creative innovations as well as ignite the minds of the children in the field of Science and Technology.
