Colouring Competition for the Students of Nursery

Dear Parents,

Our students are now in the II Term of this Academic year, and they are picking up the art activities, especially the colouring activities done to reinforce the different concepts, very well. These activities are carried out to develop their fine motor skills.

We feel that this is the ideal time to check the progress they are making. Towards this end, we have organized a *Colouring Competition* for the students of Nursery on Tuesday, 26 November 2024.

The *duration* of the competition will be *1 (one) hour* and it will be conducted during the school hours.

The students of Nursery are still very small. They are just being introduced to the concept of competition, and are beginning to understand the importance of finishing an assigned work in the given time. The practice sessions in the school and a little effort from the parents will help the child towards the same.

We will be sending 2 worksheets (the first is sent herewith) for the child to practice at home, so that he/she may gain confidence and get an idea what is expected of him/her. For the final competition, the students will be given any one of the two practice sheets.

The criteria for assessing the entries are as follows:

1. Sense / use of Colour (Colour Combination)
2. Strokes
3. Neatness (colouring within the lines)
4. Overall Presentation.

Please emphasize on the above-mentioned points, when you make your child practice at home.

We are sending this notice in advance so that you may train your child accordingly.

Wishing you many colourful weekends ahead.

Regards,

Santhosh V Prabhakaran
Interim Principal
