Summer Vacation is not merely a break from school but an opportunity to continue learning in different and meaningful ways. Students are encouraged to make productive use of this period by:

- Completing the assigned Holiday Homework and enrichment activities.
- Reading books and developing independent learning habits.
- Practicing academic skills regularly to strengthen foundational concepts.
- Engaging in creative, physical, and life-skill activities.
- Exploring hobbies, interests, and projects that promote personal growth.
- Maintaining a healthy daily routine and spending quality time with family.

We look forward to welcoming our students back after the vacation, refreshed, motivated, and ready to continue their academic journey with renewed enthusiasm.

We wish all our students and parents a safe, healthy, and productive Summer Vacation.

Best Regards,
