Fruit Salad Day – Upper Kindergarten

Dear Parents,

To inculcate the habit of “Eating Healthy and Staying Healthy” We are organizing a “Fruit Salad Day” on Wednesday, 01 July 2026 with the objective to give emphasis on the inclusion of fruits in the child’s diet.

Parents are requested to send the child’s favorite fruit without cutting and also train the child to say at least two sentence about his/her favorite fruit.

They may also wear the same color clothes as their favorite fruit.

We are looking to your enthusiastic support to make this activity a success.

Regards,

M. Mumtaj Begum
