Re.: Clay Modelling Competition for the Students of UKG

Dear Parents,

Please be informed that the Clay Modelling Competition for the students of UKG will be held on **Tuesday 12 May 2026**.

For the competition, students will be given an 8” (inch) diameter plastic plate to display their work of art. They may model any object of their choice, which could be flat or three-dimensional. The duration of the competition will be **1 hour**.

Creativity, usage of color, presentation and finishing will be the basic criteria for judging the entries.

Parents shall send clay from home, in its original form (or preferably new), for the child to use in the competition. This is to ensure that the child is comfortable working with the same quality and colors that he / she has practiced on.

Best regards,

M. Arshad Ali Khan
Principal In-charge
