Origami Competition for Students of LKG

“Origami teaches us that creativity can emerge from the simplest of things – a square of paper.”

- Benjamin Parker

Dear Parents,

In order to enhance the creativity and fine motor skills of our students of LKG we have organized an Origami Competition, which will be held on **Tuesday, 25 November 2025**. The child has to bring colourful papers with them for the competition. Only one object is to be made on the day of competition. They can draw, colour, create a collage or use recycled items etc., to make it beautiful and colourful. The time given to make the object will be **1 hour** and it will be conducted during the school hours. The teacher will introduce the concept of Origami in school for the students to familiarize with the idea.

The criteria for assessing the entries are as follows:

1. Creativity (Imagination)
2. Neatness and Originality
3. Finishing
4. Use of Color
5. Overall Presentation

- Please make sure your ward carries all the materials that he/she will require for the competition.
- No pre-folded or pre-prepared paper should be brought from home.
- Please avoid using glitter glue as it doesn't dry in the given time.

I hope this competition explores creativity by making beautiful paper art using colorful papers.

Please ensure that you are able to provide ample practice to your ward before the said day.

Best Regards

M. Arshad Ali Khan
Principal In-Charge
