Card Making Competition for Students of Grade I, II & III

“Art resides in the quality of doing, process is not magic”. Charles Eames

Dear Parents,

In order to celebrate the creativity of our students we have organized a Card Making Competition which will be held on **Wednesday, 28 May 2025**. The students will be provided with a blank, white colour card (A4 Sized – folded in half) on the day of the competition in class. They can draw, colour, paint, paste, cut, create a collage or use recycled items, etc., on the card, to make it beautiful and colourful. The Art Teacher will introduce the concept of card making in school for the students to familiarize with the idea.

Grade III competition will be based on GO GREEN theme while Grade I & II will have no specific theme.

The criteria for assessing the entries are as follows:

1. Creativity (Imagination)
2. Colour Combination
3. Use of space
4. Materials used and execution
5. Neatness and presentation

Please send your child properly equipped with the art material (pencil colours, glitter pens, or any other material for decoration) that the child will require to make the card. Do ensure that all the cut and paste material sent should be in its unfinished state. Ample practice is given in the school.

Kindly note:

- Ensure not to send any create/cut/paste designs or objects that the child can just paste on the card during the competition.
- Glitter glue is not allowed.

The duration of the competition will be one hour and it will be conducted during the school hours.

Wishing you all the Best!

Best Regards,

Mohd. Irfan Shaikh
