The Ministry of Education (MOE) has now reopened the Noor Portal to facilitate the completion of registrations for the Academic Year 2025–26.

To ensure the successful completion of the registration process, parents are requested to submit the following documents to the respective Class Teachers on or before Wednesday, 13 May 2026, without fail.

Required Document:

- **Copy of Students Valid Iqama from Absher.**

Kindly note that the registration process will be closed after the Hajj Holidays. Therefore, all parents are requested to complete the submission process within the given deadline to avoid any inconvenience.
