## PATTERN IMITATION Competition for the Students of Nursery & LKG

*“Movement of the hand is essential. Little children revealed that the development of the mind is stimulated by the movement of the hands. The hand is the instrument of the intelligence.”*

*-Maria Montessori*

Dear Parents,

We are glad to introduce **Pattern Imitation Competition** for our Tiny Tots. The competition is scheduled for the students of Nursery and LKG on the following days.

GRADE	DATE	DAY
Nursery	22 June 2026	Monday
LKG	23 June 2026	Tuesday

The evaluation criteria are as follows:

1. Accuracy and neatness in imitation.
2. Utilization of space.
3. Child's skill and effort.
4. Over all presentation.

We will be sending the picture of the sample pattern card, so that your child can gain confidence by practicing more at home. The student will be judged based on how fast they can finish accomplishing the task. Ample amount of practice for the same will be given in the school.

Please ensure your child remains present in the class on the same day.
