REF:IIPS/PRL/23-24/129

Dear Parents,

“Story telling is the most powerful way to put ideas into the world today”.

Story telling is an innate part of human behavior. Listening to stories is edutainment and narrating them is an art! Story telling creates more meaningful learning opportunity to usher our children to engage with stories. Development can only take place when children are actively involved. Keeping this in mind, we are going to organize a story telling competition for Upper Kindergarten to help children overcome their stage fright, increase verbal proficiency and enhance the listening skills. The competition is scheduled on **Monday, 29 January 2024**.

Students have to choose from any one of the stories from the three stories that have been attached along with this notice, namely:

1. **The Ugly Duckling**
2. **Jack and the Beanstalk**
3. **Little Red Riding Hood**

The contestants will be judged on the basis of the following points:

1. Introduction and confidence.
2. Presentation (action and expressions).
3. Memory.
4. Voice modulation.

The children can narrate the story in the way it has been taught by the parents. They can shorten the story for easy learning or can add more lines to the story to elaborate and get as creative as they like.

Note: The story should be in English and each student will be given a **maximum time of 5 minutes** to narrate the story.

Parents are requested to send the **selected story** to the **concerned class teacher** on or before **Tuesday, 9 January 2024**.
