

Brief Note of the Committee on Sports Activities and Achievements in Sports

Games and Sports play a vital role in maintaining the Physical as well as mental well being of students. It promotes agility and dexterity, catering to the all-round development of the students. Emphasising on these goals, our Sports Committee headed by the qualified and experienced Physical Educators promote a healthy sporting culture, team spirit and encourage activities particularly in all the Inter and Intra School competitions.

Every year our students actively participate in the varied Cluster Meet sports events, like badminton, football, basketball etc.

Our students also take part in Cricket tournament organized by Riyadh Cricket League.

Our students have proved their mettle in various sports events with their persistent efforts and energy.
